

SECOND ADDRESS
by Messenger of YEHOVAH,
GOD of peace and love¹⁾, to this infernal world

He who has not yet turned into a fierce dog²⁾ because of religious or ethnic divisions, and who feels the slightest glimmer of GOD'S *Love in his heart for all* people³⁾ should take the Word of YEHOVAH on *faith*⁴⁾ that *all* kings, nations and tribes are under a delusion, and that woe to all living on the earth and at sea results from various religious and ethnic divisions, which Satan, God of death and hostility, uses for dividing *all* people. Soon Satan will let out such true christianity from abyss, which will establish its throne in the very same city, where YEHOVAH was Crucified; it will force *all* people to bow to its infernal power and for cannon fodder causing a lot of suffering and bloodshed; especially it will kill brutally a lot of people in the Turkish empire, Balkan Peninsula, Jerusalem and in the Caucasus⁵⁾.

So, let me give you advice: If you believe this Message from YEHOVAH and if you want to be saved from all these disasters and from eternal death⁶⁾ in the lake of fire you must *immediately* abandon *all* divisions⁷⁾, join YEHOVAH and sparing neither efforts nor resources and even nor your life help HIM to destroy *all* satanic divisions, which cause hostility and *death*, and invite *all* people to become immortal, to World Brotherly Love, to One *life-giving* Religion of Prophets' brothers and Angels' fellow servants⁸⁾ and to HIS Common Temple, which HE will build on *new Mount Zion*⁹⁾ in Jerusalem for 1000 years. It's true! Amen.

*I am the LIGHT for Nations¹⁰⁾ and Salvation for Jews or
the Destroyer of all satanic divisions¹¹⁾.*

UZI a Elijah

¹ 1John 4-16.

² B.H. 22-15; **B.H.** stands for Book from Heaven, which YEHOVAH or GOD of the Holy Prophets sent from Heaven to Earth delivered by HIS Angel in 62 A.D. or 11 years prior to destruction of Jerusalem. The Apocalypse is Greek for B.H.

³ Love even for animals.

⁴ If Satan does not let you look at the whole World to make sure that YEHOVAH is right.
